You will love this uplifting soap if you like the sweet scent of candy shop black licorice. Fishermen and hunter's alike adore this soap for its ability to neutralize odors from the skin. It is naturally antibacterial and gently removes garlic, onion, and fish odors from the skin. Truly the perfect chef's assistant!

Nature's Rx: Anise Essential Oil has many medicinal properties. It is anti-bacterial, fungal and viral, as well as having superior qualities for removing and neutralizing odors from the skin. Sweet orange E. O. is uplifting and revitalizing, improving the skin's blood circulation while enhancing its abilities to naturally regenerate.
