Our rich, GLYCERIN BASED, caffeinated coffee soap is chocked full of coffee concentrate, H2O extracted Arabica coffee E.O., rich coffee butter and infused with 600mgs. of pure caffeine anhydrous. The aromatheric and physiotheric value of this soap is undeniably revitalizing and uplifting, making coffee lovers bolt for their morning shower.

Nature's Rx: Coffee is one of densest sources of antioxidants in our diet, helping rid us of free radicals. Exotic rich coffee butter create a creamy lather that moisturizes your body, while creating a protective skin barrier. Lather up!
